

# On the Social side.....

**Poker Nights** - We still have a very strong following on a Tuesday night, informal, and winner takes all has been a successful formula. Starts **6.30pm**, all welcome. If you're not too sure how to play there's plenty of help and over a few hands you'll soon pick it up!

**Wednesday Nights** - Happy Hour for Handle Club members, a draw for a Bar Tab every week which Jackpots if not won. Every Wednesday come on down for **FREE** 8 ball, Killer Pool and Casual Bowls.

**Thursday Nights - 2017 Season** starts February 2nd. Housie for the faithful, yes we're still having a lot of fun with this, not to be taken seriously, all welcome for the start at 6pm. Thanks to Karen for running 'All Cards Covered' and Jim Moase for "Jimmy's Jackpot", and the caller drinks **RED** by the Jug!

**Membership Draw:** Every Friday night at around 7/7.30pm the draw is done and a cash prize is paid if you are present! Jackpots every week so every financial member is in with a chance. If you're not sure whether you're financial or not have a look at the chart at the end of the bar.

Have you got Green fingers?

The gardeners meet every Thursday night and at various times over the weekend, it is truly an amazing space so be a part of it!

## Looking for Bar Volunteers

Yes, this is how we keep the drink prices at the very reasonable price that you've been paying. Wednesday and Thursday nights are manned by volunteers so if you can help out for just a few nights a year we would be very grateful, training provided but it's really easy!
